

Exclusive Product Release

RockWest Technology Group is pleased to announce that we are now offering the ISG™ AutoCam USB cameras.

ISG AutoCam
Elite

ISG AutoCam
Zoom

General Overview

Video Associates Labs designs, manufactures and sells personal computer-based audio and video products worldwide. For more than 25 years, the company has been a recognized technology pioneer developing broadcast and interactive video related products.

The ISG™ AutoCam Elite and Zoom cameras offer:

- High intensity photo flash for perfect captures from 18 inches to 14 feet from camera
- Software (mouse) control of pan, tilt, zoom and exposure (AutoCam Elite) and zoom in/out (AutoCam Zoom)
- Optical pan, tilt and zoom for highest resolution (AutoCam Elite model)
- Synchronized photo flash with software control of flash exposure and flesh tones (perfect captures even in dark rooms)
- TWAIN compatibility (work with all major ID software applications that are TWAIN compliant)
- Real-time live preview window and fast snap captures
- Auto focus, S-video output
- USB compatibility
